

Mini Kickers Soccer - Fall

Let kids be kids!

Our Mini Kickers program is a new program that we began last fall. This program is designed for toddlers ages 2-3 and addresses their physical, emotional, and social needs, ensuring a positive introduction to the game of soccer and organized athletic instructions. Challenger's experts have composed a curriculum which will entertain your child in a safe and fun environment while teaching them the beginning basic fundamentals of the game. Parent participation is required for this program. Each participant will receive both a t-shirt and a soccer ball to keep.

Location: Lincoln Street School's Currier Field , 25 Lincoln St Exeter NH 03833
